"Dear friends, let us love one another, for love comes from God. Everyone who loves has been born of God and knows God."

**- 1 John 4:7**

## 2017 FALL MICRO SOCCER LEAGUE:

Victory's entry level soccer league, MSL, is built as an introduction to the game that teaches children the fundamentals and skills necessary to develop as soccer players. There is also a "CHALLENGE" time during the weekly practice times when stories and lessons are taught from a Christian perspective.

## 2017 FALL VICTORY SOCCER ACADEMY:

Victory Soccer Academy is for children ages 8-12 who are interested in club level soccer training as they prepare to make the jump to full season, club or travel soccer. It is our goal through this program, to help players bridge the gap between recreational (park district or Micro Soccer League) and full year travel soccer. Players will train with an academy team twice a week, and will have an opportunity to scrimmage other academy teams and local club teams of a similar age.
